FOREWORD

To chronicle the events of 1956-57, to portray the commonplace and the unusual, to foster appreciation for the Swainsboro High School heritage, to record the year in pictures and narrative are the aims of the 1957 Spotlight staff members.

BECAUSE—

You live up to the high ideals of Christian character young people expect of a "Y" Club sponsor,

You are always willing to help any high school student in all instances,

You keep the library bright and cheerful, as well as a ready source of reference,

You are loved enough by all Swainsboro High cheerleaders to have them call you "Mom,"

The 1957 Spotlight is dedicated to you, MRS. CLIFF HARRIS WALTON.

ADMINISTRATION

Our principal

MR. V. E. GLENN

has guided us with
steady course through

V. E. GLENN, PRINCIPAL

Swainsboro, Georgia

To the High School Students:

We believe that we have the finest group of boys and girls to be found in any school anywhere. The cooperative spirit that you show always means so much to the welfare of the school, and we want you to know that it is appreciated. You seem so willing to fall in line with any suggestion and do your bit to carry it through.

Boys and girls, a number of you will graduate this year and others will move from our midst, but we want you to know that wherever you may be we will be interested in you. It is always a pleasure to work with you, and we hope that we have been some help to you along the way of life. Just remember, we are depending on you to do the things that will reflect favorably on Swainsboro High School.

A number of you will be with us for one or more years longer, and we need your help to make these good years for you and your school; won't you do your bit? We believe you will.

As your principal, I should like to pledge you my very best effort to make the time that you spend in High School worth while to you.

Your friend,

V. E. Glenn

Martha Ann,

I hope you have had as much fun this year with me as I have had with you. If it were not for you I think I would have gone mad at school this year. You are a nice and a very sweet girl and I wish you knew just how much I care for you. I hope you will always be as nice as you are now, and if you do, you will never have any worries. You are a very cute girl and I enjoy going steady with you very much. I hope you will forget all of the little arguments we have had and look at the future.

I think you are one of the nicest girls in school. Just stay as sweet as you are now and you will always be a success. I think you and Bill make a cute couple! I hope that everything in your future is as bright as the past.

Sarah

Martha Ann,

I have enjoyed having you as one of my friends. We have had lots of fun eating lunch together. Why don't you get a larger pocketbook to put your food in?

May the best of everything be yours. Good luck with Bill and I hope you "go steady" as long in the future as you did in the past.

Love,
Jannette

Martha Ann,

Martha Ann,

Its sorry things this year ~~wasn't~~ the way they were last year, but we have had sore fun. I think you and Bill make a very sweet couple, I hope you never break up because I think you were made for each other. I wish things for — and I could be the way ~~they~~ were for Tommy and ~~me~~ because I think he and Bill could get along tether then Tommy and Bill did.

I still want to go down there and maybe we can all learn to dance.

Martha Ann you don't know how much your friendship has meant to me. And I love you very much. The best of luck to you in everything you do.

Sweet,

Patsy
